

the FS Advantage Series

Environmentally Friendly Doors That meet the 2009 Federal Standards
Featuring 2 Pane Low E Glass Packages

The FS Advantage Series doors are built with the same door and frame system as our ECO Series to maximize energy efficiency by providing better installation qualities. All FS Advantage Series cooler doors are energy free.

Designed with a flat mullion and field reversibility the FS Advantage Series Doors offers upscale styling and the flexibility and dependability you can count on.

Add optional features like gravity flow shelving and full length handles to give you the look you want at a price you can't beat and a door that you can rely on for years of dependable service.
