

SHELVING AND ACCESSORIES

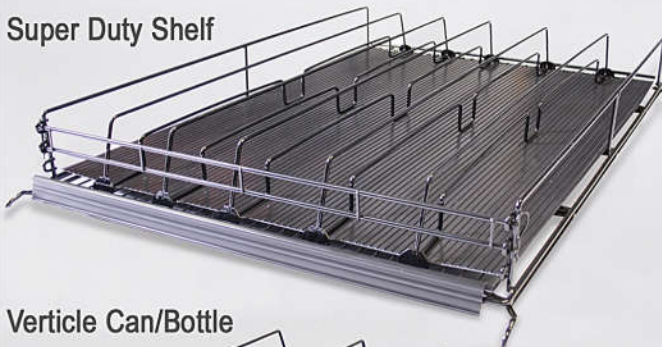

Corner Shelf

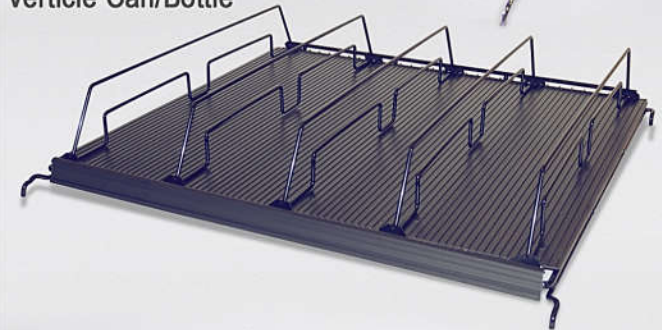

Full Shelf

Super Duty Shelf

Verticle Can/Bottle

Baskets

Full shelf width for maximum product facings and storage.

Super Duty 36" & 48" shelf with welded side stops and removable front stops.

Shelving is available in Black or White in 27" (standard) or 24" depths.

The exclusive shelving design provides a full width shelf, which gives you increased product facings and storage. The bow truss system eliminates shelf sag making the CDS shelf the strongest shelving system on the market.
